NATIVE AMERICANS

HISTORY ON THE GO • TEACH-IN

FOR MORE INFO, CONTACT AMANDA PARISH WALTERS, AT AMANDA.PARISHWALTERS@OCFL.NET OR CALL 407-836-8376.
Thank you for planning your Teach-In program with the Orange County Regional History Center! This packet includes activities that can be done before or after our visit and aligns with state standards.

The activities you'll find in here were created with you in mind! We know that your day is jam packed and it's sometimes hard to squeeze in time to meet social studies standards. That's why we incorporated activities that are interdisciplinary with other subjects such as language arts. We have also ensured many of the activities include the use of technology to keep in sync with the digital classroom initiative.

Directions
1. As a class, analyze the images from Florida Memory. Discuss what is happening in each picture and how it provides insight into the life ways of the Seminole Indians.

2. Cut out and assemble the story cube.

3. Using the cube, students will write a narrative story. With each roll of the cube, students will write several sentences per image. Encourage students to use descriptive and transitional words.
Create a fun game for students to play after our visit. Questions can focus on the Timucuan and Seminole ways of life and their interaction with the European explorers and the pioneers. This is a great activity for other subjects such as science and reading.
