HISTORICAL SOCIETY OF CENTRAL FLORIDA

The nonprofit Historical Society of Central Florida supports the Orange County Regional History Center's mission and programs through an agreement with the Board of County Commissioners.

The organization was founded in 1971 as the Orange County Historical Society, but its roots go deeper into Central Florida's past. It continues a mission begun in 1942, when a small history exhibit began in the 1892 courthouse which occupied the site that's now Heritage Square park next to the History Center.
